Under this rule permission to acquire land is given only where the applicant proposes to purchase the land in public auction.

(6) The present request of Sri B. S. Rampura Gowda is for the purchase of land for an upset price or in public auction. Under instructions contained in the above GM the grant of Govt lands for an upset price to Officers is strictly prohibited, except under the special orders of Govt. 7) As regards the point raised in para 3 of the note, namely, an Officer being debarred from bidding for land at an open auction, reference is invited to "Acts Prohibited to Revenue Officers") Section 30(1)(b) of the Mysore Land Rev. Code; according to which no revenue Officer shall without express permission of Govt purchase or bid for etc etc any property which may under the provision of this Act etc, be sold by an order of any Revenue Officer in the District in which such Officer is at the time employed. The intention of this rule is to discourage the Officer from bidding for land situated in his own jurisdiction lest he should exert his influence, vitiate the Sale proceedings and fail in the legitimate discharge of his duties. Nevertheless, under the saving clause "without express permission of Govt" the Officer is not debarred from applying for permission to bid for land situated in his jurisdiction at an open auction or the Govt precluded from granting such permission if they are satisfied that the intention contemplated in the rule is not violated.

15) Sri B.S. Nanjunda Gowda desires to acquire land either for upset price or in open auction. As per Government Order No. 173-229/C.B. dated 12-7-1932 and Note under Rule 20 of the Conduct of Government - - - Servants, sanction of Government is necessary.

16) Sri B.S. Nanjunda Gowda is an Assistant Commissioner in the Revenue Department now O.O.D. as Head-Quarters Assistant to the Labour Commissioner. He owns a house in Bangalore, and some converted agricultural land stands in the name of his wife. He has a share in some items of joint family landed property in Kolar District. The Officer is a native of Kolar -- District having his father and other relations residing in that District. Though he exercises no administrative function directly in that District, yet by long association in that District and his present official position, it cannot be said that he wields no influence in that District with the Village Officers and -- subordinate Revenue officials. Further the Officer has applied for the grant of gomal land the availability of which has not been ascertained.

17) However, I have no objection to the Government granting the Officer permission to acquire the land in question by offering bid in an open auction sale to be held by a responsible Revenue Officer.
